2010 CLUB MEMBER DUES

It is that time to renew your membership again for the 2010 season. To save time we have created the chance for you to purchase your Cycling BC licence and pay your Club Dues online all in one transaction.

Please follow the steps below to ensure you are insured and ready to Ride/Race!

Step 1: Pay your Club Dues

This step will ensure that you have paid your club dues and are an “official” member of the Club. Once you have done this, do not forget to follow Step 2 and purchase your licence so that you are insured while riding with your club and/or racing this season.

Follow this link to pay your Club Dues for **Nanaimo Mountain Bike Club**. After you have filled out the form and added the product to your cart, DO NOT Checkout, instead, please proceed to Step 2 below.

If you have not yet purchased your Cycling BC licence, please continue with step 2.

Before you complete the transaction for your club dues, proceed to purchasing your race licence.

- ✓ If you will be competing for BC Cup points and/or racing outside of BC, please purchase a **UCI Licence** for \$130 (or less for those under 23 yrs old)
- ✓ If you will be racing some of the Island Cup races and participating for fun in any other BC sanctioned race, please purchase a **Citizen Licence** for \$42 and select MTB as your primary discipline.

- ✓ If you will be participating in events put on by your club only, please purchase an **Associate Membership** for \$32.
- c) After you have selected the licence that applies to you, please complete the license application form and add the product to your cart.
- d) Select the checkout button and proceed with payment.
You will be prompted to create new login information. If you had a username and password from the old website, it is no longer valid!
