

Nanaimo Mountain Bike Club:

There are 2 ways to pay your dues to the NMBC and to sign up with Cycling BC, which means that you are insured for any activity that the Club has organized – rides, cleanup, trail maintenance....

The PDF file (Nanaimo MTB CLUB MEMBER DUES helpful hints.pdf) describes the easiest way to pay your dues, for NMBC and Cycling BC. The link takes you directly to the NMBC site on the Cycling BC website.

Being associated with Cycling BC means that club members have insurance to cover accidents or injuries. You will notice at the bottom of the club site, and the Cycling BC license website that you can click to see the waiver.

If you REALLY want to read the waiver (and print it) then

**DO THAT FIRST!!!!!!!**

Before you fill out anything else.

If you fill in all the fields then read the waiver then all the info you added will have been erased!!!

If you don't want to follow the link, then there is a second way.

1. [www.cyclingbc.net](http://www.cyclingbc.net)
2. Click on "Buy Your Race Licence"
3. Scroll down to "Club and Team Affiliations". Click that.
4. Click on "Club Member Dues"
5. Click on "Vancouver Island Area Clubs"
6. Click on "Nanaimo Mountain Bike Club"
7. Follow the directions on the PDF file, which describe how to then buy your Associate Membership with Cycling BC.

We have tested the site and it seems to work, however, some members were able to buy the club membership but were unable to add the Cycling BC membership to their CART, in order to pay. I have been advised that anyone having this problem should try again at another time.

As Director of Membership then I will get a confirmation email that you have signed up.

If you have any questions or problems then contact me:

Please sign up now. We are trying to push for members before March 1.

Thank you for your patience.
